HIPAA - CONSENT TO EMAIL DOCUMENTS

VALID FOR ONE TIME USE

Important Information:

- HIPAA stands for the Health Insurance Portability and Accountability Act.
- HIPAA was passed by the U.S. government in 1996 in order to establish privacy and security protections for health information.
- Information stored on our computers is protected. Most popular email services (Ex. Hotmail®, Gmail®, Yahoo®) do not utilize encrypted email. When we send you an email, or you send us an email, the information that is sent is not encrypted. This means a third party may be able to access the information.
- Additionally, once the email is received by you, someone may be able to access your account and read it.

We recommend that our patients sign up for our patient portal, MyChart, which allows secure communication with your caregiver team. Please contact our staff to register!
